Name: _______________________________________
Phone No: ____________________________________
Email: _______________________________________

Please put into the Fundraising tray at the front office or
e-mail michelle.young@live.com directly.

We are also looking for Year 7 volunteers to help out at the disco. If you are interested please leave your name in the Fundraising Drawer at the front office and the times you are available to help out. You need to be proficient at handling money and helping young children.
Christmas Disco Etiquette

Santa’s Elves would like to remind everyone attending the upcoming Christmas Disco of some very important points:

- There is a duty of care by the P&C and the School to the children attending the disco, therefore parents are requested to either drop off their children safely or stay with them to enjoy the festivities. Siblings need to be supervised by their parents and not the volunteers or staff.
- Children are to remain inside the undercover area or stay in the grassed area unless using the toilets or the drink fountains. Crowd Controllers will be in place to ensure children do not wander around the school.
- Children will only be allowed to leave at the end with parental supervision. Please come to the undercover area to collect your child.

We have some wonderful additions to this disco that should make it very special:

- Beach Christmas Theme
- Canteen serving cold food items and a family BBQ on the grass
- Fans supplied by PortaCool, a local business, to cool the area down
- DJ with music, games and prizes
- Face Painter from 3:30pm to 5:30pm ($5). Time is limited, so get in early
- Hair Chalk, Temporary Tattoos and Christmas Card Craft from 3:30pm (50c)
- A visit by Santa with sweets for the children. (Junior Only)

If you can assist in any way please email michelle.young@live.com directly.
