OVERVIEW

Under the *School Education Act 1999*, schools are required to inform parents and carers in advance of the anticipated costs to be incurred by students during a school year.

In Term 4 of each year the anticipated costs for the following year are reviewed and endorsed by the School Council and then published.

For the 2014 school year the School Council has approved the following contributions and charges.

1. **VOLUNTARY CONTRIBUTIONS**

   *Section 99 School Education Act*

   Money collected from this area contributes towards paying for the following items:
   - Photocopying supplementary materials.
   - Library books and resources.
   - Information and Communication Technologies (ICT) resources and software.
   - Learning Area consumables (eg science and technology and enterprise).

   For the 2014 school year the Voluntary Contributions are:
   - $50 per child for Foundation to Year 7
   - $60 per child for Kindergarten

   Where a family has three or more children from Foundation to Year 7, then the maximum cost is capped at $150.

2. **VOLUNTARY CHARGES FOR EXTRA OPTIONAL ITEMS**

   *Section 100 School Education Act*

   These amounts can vary from year to year and are for activities that the school believes support and enhance the school programme. Student participation in these activities is dependent on payment being made.

   The activity charges fall into three main categories:

   1. **All Student Activities**. Charges related to specific learning activities and available to all students (eg visiting performers, excursions, dancesport, intern swimming).
   2. **Selected Student Activities**. Charges related to specific learning activities and available to selected students (eg School of Instrumental Music, academic competitions, choir).
   3. **All Students Optional Elements**. These are payments which address overarching school outcomes and are available to all students (eg overnight camp).

   For the 2014 school year, the Voluntary Charges for Extra and Optional Items are indicated below.
