Children with exceptional academic ability and creative talent thrive in Gifted and Talented Programs.

Gifted and Talented Academic, Languages and Arts Programs provide a unique and challenging curriculum designed to bring out the very best in your child. These elite programs are available at 17 select public secondary schools, and include a fully selective academic school and an arts college.

Your child will learn alongside like-minded peers and will be taught by teachers with expert skills and knowledge. Your child will be encouraged and supported, and challenged to be the best they can be.

You can apply for these programs no matter where you live in Western Australia, and if selected, your child is guaranteed a place at the school.

Applications for Gifted and Talented Programs are open until 12.00 noon on Monday 10 February 2014.

- If your child is in Year 6 in 2014, you can apply for entry into Year 7 in 2015.
- Limited places may also be available for children entering Years 8, 9, 10 and 11 in 2015.

In 2015, children in Year 7 will move to secondary school which means they can start Gifted and Talented Programs a year earlier.

The selection process will take place in 2014 when your child is in Year 6. All places are finalised by the end of Semester 1 in 2014. This gives you plenty of time to enrol them in the school for 2015.
