Healthy Food Tip

*Lifestyle Lesson 2: Activity is just as important as food intake.*
If children move for at least an hour each day, not only do they have less time to eat, they are also far less likely to have weight issues.

Volunteers needed for Multicultural Day

Wednesday 4th September is Multicultural Day and the canteen is having a special meal deal lunch. We need volunteers to help pick and pack the lunches. Parents have been invited to the school to join in the celebration at lunch time so we are sure some of you can help out just before to get it all organised. If you can help please either put your name on the board or let the staff in the canteen know.

Reminders

- The Canteen Committee are still looking for new members. Please put your details in the canteen tray in the front office or see the canteen staff for more details.
- Volunteers are always needed please come and put your name on the board.
- Please make sure your prices are correct if sending orders into school.
- Also, all orders MUST be written on bags, which are available for purchase from the canteen.
