CANTEEN NEWS

New Winter Menu

The EPS “Can-team” will be proudly launching our new winter menu on Tuesday 2 June. The new menu features more healthy foods and many more homemade choices (and plenty of “sneaky veg”).

The new menu is set out a little differently than usual. We will be offering both “Hot Specials” and “Daily Specials”. Details about what is on offer will be written on the blackboard outside the canteen. This allows us some flexibility to keep things fresh and exciting. If you have any questions or feedback, please have a chat to Tina.

If you aren’t a regular user of the canteen, now is a great time to begin. “Green” food now makes up more than 90% of our menu, so your child will be served a nutritious lunch. You also have the option of pre-ordering your child’s lunch for the week at a cost of $20, which includes a bonus $2 token.

Volunteers

Volunteers are greatly appreciated and much needed, particularly now that we are increasing the amount of homemade food being served. Volunteers doing a full morning will be treated with a $5 canteen credit [to be used that day], tea or coffee and a few laughs.

We would love help for an hour each assembly day to run the coffee machine. We will help you set up and treat you to a free coffee.

Specials

This year we will be making jams and spreads and would love any donations of clean empty jars, fruit, particularly apples, lemons & limes. Spare herbs and vegetables are always welcome.

Red Apple Day will be held on 18 June, so look out for some apple specials, including BYO apple slinkies for 10c, all week – 16-20 June.

DISCO NEWS

We are planning to hold the disco on 20 June and to do this we need volunteers to work on the door, crowd control and serving food. If you can help at either the early or late disco please leave your name and contact number at the canteen or office. We cannot go ahead without your help. Further information will follow.

For all enquiries regarding the Canteen please contact:-
