

Edgewater Primary School

Dear Kindergarten and Foundation parents,

It has come to my attention that there are Foundation and Kindergarten children playing on the Early Childhood play equipment before and after school.

All children have been told that they should not be playing on the play equipment before or after school as we do not have the capacity to supervise them. This includes Kindergarten and Foundation play areas.

Whilst I realise that Kindergarten and Foundation parents are required to drop off and pick up their children and are technically there at that time, we still have a duty of care issue, particularly as older siblings and friends are coming into the area playing on equipment not built for their physical size.

Parents can assist the school by making sure their child/children do not play on the equipment.

Your assistance in this matter is greatly appreciated.

Thank you,

Julie Tombs
