

Dancesport Lessons – Commencing Tuesday 17 October

Dear Parents/Carers,

All students from Pre-primary to Year 6 will once again participate in Dancesport lessons provided by trained dance teachers from Humphreys Dance Studio. Over the last 16 years these lessons have been very successful and enjoyable and have enabled students to enhance their dance and social skills.

These lessons form an integral component of the Australian Curriculum and assist in providing students with a sequential and developmental dance sequence. They are given the opportunity to learn a number of dances, and from past experience, students all participate enthusiastically.

This year, lessons for Pre-primary to Year 6 will be held in Term 4.

There are eight, hour long lessons [45 minutes for Pre Primary] commencing on Tuesday 17 October. All students are expected to participate. The total cost per students is \$36.

The social lesson, where parents are invited to attend and dance with their child, will be in Week 9 and students will be encouraged to wear free dress for this lesson.

Please note that a Dancing Timetable will be sent home in Week 1 of Term 4. This will indicate the day and time of your child’s lesson.

A concession applies for those families with three or more children - payment is only required for two children. There is no charge for lessons for subsequent family members.

Please complete the attached slip and return it with payment by Friday 13 October 2017.

Mr T Butt - Coordinator

Edgewater Primary School - Parent/Carer Consent - Dancesport - Tuesday 17 October 2017

I have read and understood the information regarding Dancesport commencing on Tuesday 17 October 2017 and enclose payment of \$..... Paid Online \$..... Take from Credit \$.....
