WELCOME

Our school has two well-equipped purpose-built kindergarten centres staffed by trained early childhood teachers and education assistants. Each of the kindergarten groups are provided with many opportunities to integrate with each other.

We value each child as an individual and our play-based program provides opportunities to enhance each child's social, emotional and intellectual development in order to encourage them to reach their maximum potential.

Our kindergarten program is developed using the Early Years Framework, the West Australian Kindergarten Guidelines and is in line with National Quality Standards (NQS). Our teaching staff are continually undergoing professional learning, ensuring that they are up to date with current research and trends in early childhood education.

Each of the kindergarten groups are provided with the same learning program. Teachers collaborate together to plan a variety of integrated and engaging learning opportunities which cater for the interests and abilities of each child.

SESSION TIMES

Please ensure that the kindergarten session times are adhered to as closely as possible when bringing and collecting your child because:

- Students often become quite distressed if parents/carers are late.
- Staff clean and prepare the room before and after each session.
- It promotes good habits in preparation for the later years of schooling.

DROPPING OFF & COLLECTING STUDENTS

Parents/carers are asked to bring students to the door and pick them up from the verandah. They are **NOT** permitted to walk home by themselves. For your child's protection, it is essential to let us know if you arrange for someone other than yourself to collect them. This information should be in writing and can be entered into the Parent Communication Book. Please ask a staff member for help.

If you find yourself unavoidably detained or you have not advised staff earlier that your child is to be picked up by someone else, please contact the school on 9405 4007.

DUTY OF CARE

When your child is attending our kindergarten centres, parents/carers must stay with them until the teacher or education assistant asks them to enter the classroom.

Please ensure your child does not play on or use the playground equipment before or after school due to safety concerns.

PARENT/CARER ROSTER

Parents/carers play an important role in the day to day operation of the kindergarten centre. A roster will be prepared for parents/carers to assist in the classroom. You will be advised of these arrangements at a later date.

SCHOOL FINANCES

Voluntary contributions have been set by the School Board at **\$60 per student for the year**.

Further funds to provide extra facilities are provided by the P&C through specific fundraising events, and from parents/carers via the **P&C Voluntary Contribution**, which is **\$40 per family for the year**. These contributions may be paid with the Personal Items List (Booklist) or at the school office.

Online payments can be made to: BSB: 016 494 Account: 340968448 Narration: (child's name): Amount

Please mark **everything** with your child's name and send along a spare set of clothes to be kept in their bag to be used for emergencies such as over enthusiasm during water play!

WEARING OF HATS

The school rule is that students are to wear hats during outside play every day - **'NO HAT NO PLAY!'** is our motto. Please ensure that your child brings a royal blue bucket style school hat, clearly marked with their name. School bucket hats can be purchased from the uniform supplier (see above) or the school office for \$10. Royal blue broad brim and Legionnaire style hats are also acceptable.

BAGS

Each child is asked to bring a backpack daily. Please make sure that it is a **large** size, durable and waterproof and has your child's name easily visible on it.

TOYS

Students are **NOT** to bring toys to the kindergarten centres as we have plenty of equipment for students to play with.

SNACK & WATER

Each child is asked to bring one piece of fresh fruit each day. A container will be placed near the door and students can put fruit in it as they arrive. Suitable items for snack time are: all fruit, including strawberries, watermelon, etc, sultanas and dried fruit. Cheese and vegetables can also be included eg. celery, capsicum, carrots. Let us know as a matter of urgency if your child has specific dietary requirements or food allergies. Please send a named bottle of water each day with students.

LUNCH

Your child can either bring a packed lunch or purchase lunch from the school canteen – ordering details are on the school website. Students will need to have a named lunch box as well as a drink bottle containing water only. Canteen menus will be sent home at a later date. They are also available through the school website - www.edgewaterps.wa.edu.au. The Canteen is open from Tuesday to Friday. Please avoid packing chocolates and lollies in your child's lunch box.

HEALTH & ABSENCES

If your child is absent parents/carers should provide an explanation by either sending a written note to the teacher, completing the online absentee form on our website, sending an email to the school (edgewater.ps@education.wa.edu.au) or by contacting the school office in person or by phone. It is essential that you notify the teacher, particularly if they have been unwell, or if there are other concerns - especially if the absence is due to an infectious disease. Please refer to the office for details on infectious diseases.

If your child is unwell, please keep them at home, even if they are keen to attend. Viral complaints such as vomiting, diarrhoea, etc can spread easily in a school setting.

Head lice are an ongoing problem in all schools. Please check your child's hair regularly. For further information please contact the school or access the Health Department website at www.health.wa.gov.au/headlice.

HEALTH CHECKS

The School Nurse will check your child's sight and hearing as the year progresses. More information regarding this will be provided in 2017.

MONEY

All money sent for excursions etc. should be in a sealed envelope labelled with your child's name, their class details and the event.

STUDENTS' BIRTHDAYS

Parents/carers may wish to send along cakes to share with other students, although this is not compulsory and you only need to participate if you wish to. This can be done on the nearest school day to a child's birthday. Small individual cakes are a great idea as they are easier to share and distribute. Cakes are quite sufficient and parents are asked **NOT** to send extra lollies or drinks. If your child has any food allergies, this will be considered as part of a health care plan. Please inform their teacher as early as possible of any food allergies that you are aware of.

NEWSLETTER

The fortnightly newsletter is sent to parents via email. Please ensure the school has your current email address. Notes and newsletters are also available on the school website at www.edgewaterps.wa.edu.au.

PARENT/CARER MEETINGS

You will be advised about a time when teachers will provide further information with regard to the Kindergarten programme and other aspects of the year. Teachers will be happy to answer any queries of a general nature at this time. For more personal issues, please make an appointment with teachers at a convenient time.

STUDENTS TAKING WORK HOME

2017 will be an exciting year with rich and innovative learning experiences for each and every child as their social, emotional and academic development is fostered and nurtured. Please offer them positive comments about any work they bring home. Asking them to tell you about the work will encourage constructive language and develop a strong home/school bond. It would be wise to avoid insisting that your child brings you a painting, drawing or pasting every day because they may have been involved in different activities or the work may have been saved in order to be placed on the display boards in the classroom. Students will always be looking towards you as parents/carers for both approval and encouragement.

Thank you for your support in these matters. We look forward to a fun and exciting year in 2017.

<p>Please note that further important school information is contained in the School Information Booklet which will be distributed at the beginning of the new school year.</p>
