VacSwim holiday swimming programs
Enrollments for December/January programs are now open. It is important for every child to learn to swim and develop essential water safety skills. VacSwim’s school holiday swimming programs are conducted by qualified instructors who teach children the skills to be confident swimmers and safe in the water. This year there has been a small price increase from $10.00 per enrolment to $12.50 per enrolment (family enrolment for three or more children living at the same address is now $34.50). For further information and online enrolment visit education.wa.edu.au/swimming

VacSwim is also looking for swimming instructors and provides part-time employment opportunities for school staff during the holidays. For further information please telephone 9402 6385.

I strongly urge you to encourage all families in your school to take part in VacSwim and thank you for your support.
