Message from the Principal

The school will be planning the new 2027-2030 Business Plan over the upcoming months. This will drive the direction of the school for the next three years. The planning group will be made up of the Principal, staff and School Board. This will be shared with the school community once it is complete. EPS have been lucky enough to have been selected to send some staff to take part in some quality Mathematics Professional Development over the next two terms. This is part of the Teaching for Impact Centre for Excellence program. Mrs Newport, Mrs Radford and Mrs Sevastos are learning evidence based ways to plan and teach Maths so they can share with their colleagues. I am looking forward to the upcoming Interschool Carnival at Edgewater Primary School on Tuesday, 15th and Thursday, 17th September. Thank you to Mrs Farinosi for her organisation of both carnivals this term. Have a great Term 3 break and we will see you all back at school on Monday, 12th October to start Term 4.
