New Yarning Circle/Outdoor Classroom completed!

FINISHED! OUTDOOR AREA COMPLETED!

Last year Edgewater Primary School was given a \$40,000 grant to create an outdoor classroom space. The design is inspired by a Yarning Circle and features an owl in the centre. For those who are not aware we have a family of owls that live on our Nature Playground every year. We have named our owl Noog Noog looking forward to their Mission to Mars which means "owl" in Noongar language. The Year 6 students have done a wonderful job with the native garden that has been planted and artist James Giddy created the owl mural during NAIDOC Week on Koomal Cluster (Block 3). It will be great to see the classes and students enjoy this new space. The students from PP-Year 5 have commenced their Edu-Dance classes this term and we can't wait for the concerts in the last week of Term 3.

Year 4 and Year 5 Student Councillors for Semester 2

Message from the Principal

It has been a very smooth start to Term 3. We have a busy sport term with a Faction Carnival and Edgewater Primary School hosting the Interschool Carnival on Thursday 17th September. Well done to the Harmony Team who raised \$387 for Telethon through the Bake Sale last week. Please make sure parents go to Compass to give consent for all incursions and excursions. We have Camp Quality coming on 25th August and students must have consent to attend this free incursion. We have had some changes in staff this term. Mrs Sugg is on medical leave over the next 12 months and Mrs Avery has taken over Room 11 full-time. We welcome Mrs Cheesewright to Room 16 and Mrs Berley who will be taking over Mrs Avery's role on a Tuesday and Wednesday. Have a great term!
