

## 2022 Contribution and Charges Schedule - Kindergarten to Year 6

Dear Parents/Carers,

### School Contribution and Charges

The Edgewater Primary School Board has endorsed the schedule for Contributions and Charges for 2022. The schedule is divided into four sections and will allow you to calculate all the costs that you may incur throughout the year.

#### SECTION 1: CONTRIBUTION

The total amount of **contribution** parents and careers are being asked to pay is **\$60 per child (Kindergarten to Y6, which is within the \$60 maximum set in the School Education Regulations 2000)**.

Monies collected will be used to supplement school expenditure in the eight Curriculum Learning Areas. While contributions are voluntary, the quality of the teaching and learning program will be maximized when each family makes their contribution.

The contributions can be paid using the following options:

- A single payment with the Personal Items List (booklist) – *the preferred supplier, Ziggies, sends the contributions to the school with a full list of student names (preferred option).*
- A single payment using the Online Payment System – see School Bank Details.
- A single payment through the school's front office.
