

From the City of Joondalup

School Parking

Kiss & Drive zones typically allow parents to pick up and drop off children close to the main school entrance. **They are not to be used for parking.**

Good Parkers DO NOT

- Park on the footpaths
- Park on verges without permission
- Park in the **Kiss & Drive**
- Park blocking a driveway/s
- Park within 10m of an intersection
- Park contrary to any street signage
- Park facing against the flow of traffic
- Receive parking infringements

Good Parkers DO

- Leave the car at home (if possible)
- Park the vehicle further away and walk
- Obey all street signage
- Consider other road users
- Use the assigned parking bays
- Cooperate with other parents to take turns dropping off and picking up children at school

Always move forward to the top bay

Infringements

If you do not park in accordance with the parking requirements you may receive a parking infringement from the City of Joondalup.

- Stopping in a No Stopping area
- Stopping or parking in front of a driveway
- Double parking
- Stopping or parking on any footpath or cycleway
- Parking on a verge without consent
- Causing an obstruction

City officers will conduct patrols near schools throughout the year to re-enforce correct parking and increase safety for children attending school

If your child is not ready, do not stop—continue up to the roundabout at Outlook Drive return to the roundabout at Pioneer Drive.

An Independent Public School

KISS & DRIVE FACILITY

*The area around our school is busy and potentially hazardous during the peak afternoon pick up period. **Your co-operation and patience when using the Kiss & Drive facility will provide your children with a safer, less stressful environment.***

Four bays in Treetop Avenue have been designated as the Kiss & Drive area and are **ONLY** for the set-down and pick up of students. This process allows more vehicles to use the same bays in the peak periods before and after school. **Please familiarise yourself with the following rules.**

How the Kiss and Drive works

- Move as near to the **front** of the Kiss & Drive bays as possible.
- Always be courteous to other road users.
- Children will wait in the area to the north of the Kiss & Drive bays.
- Bays to be used only for set down and pick up of students.
- If you can't see your child, **don't stop** – drive up to the roundabout at Outlook Drive, turn around and travel back down Treetop Avenue before turning at the roundabout at Pioneer Drive to re-join Kiss & Drive.
- There is no parking or waiting permitted in the pick-up bays.
- Always **indicate** to enter and leave the Kiss & Drive bays.
- Ensure children entering the vehicle put on their seat restraint **quickly** before moving off.

Morning

- Stop in Kiss & Drive bays (use **forward most bays**)
- Students **alight from left** of vehicle immediately.

- Parents/carers must remain in the vehicle.
- When students clear of vehicle **indicate right** and enter traffic flow safely.
- If there are no free bays on arrival, please **do not block the traffic**. Instead, drive up to the roundabout at Outlook Drive, turn around and travel back down Treetop Avenue before turning at the roundabout at Pioneer Drive to re-join Kiss & Drive (do not use the school staff carpark).
- If you have to get out of the car to organise or farewell your child, Kiss and Drive is not a suitable option for your family.

Afternoon

- Only enter Kiss & Drive area if your children are **ready to be picked up**. It may be wise to give your child some time to get to the Kiss & Drive area before coming to collect them.
- **If your child is not ready, don't stop** – drive up to the roundabout at Outlook Drive, turn around and travel back down Treetop Avenue before turning at the roundabout at Pioneer Drive and back to the Kiss & Drive.
- If there are no free bays, please **do not block the traffic**. Instead, follow the directions above.
- Encourage your child to **wait safely** in the area between the footpath and the fence adjacent to the bays, to **look out for you**, and to **move quickly and safely** to the car once you have stopped.

Please share this important information with your children and friends and family members who may also drop off and/or pick up your children from school. Your understanding & consideration is appreciated.

Children's safety at schools is becoming an ever increasing concern due to bad parking.

Parking is always limited.

Avoid taking the car if possible and walk.

Park in accordance with parking and directional signage as this creates a safer environment for your kids attending school.

Prohibition Parking Signs

Covers roads and verges where the sign applies. This also includes resident's verges.

A vehicle cannot stop in these to set down or pick up passengers.

A vehicle may only stop to immediately drop off or pick up a passenger or goods. The driver must remain in the vehicle.

Children warning and 40km/hour school speed zone signs are the responsibility of Main Roads WA.

Road safety is everyone's responsibility. The City provides road safety information to all schools. Please contact your school if you want information about road safety.

Contact **Main Roads** on **138 138** to report any damaged signs or to request for more signs.
