

## **Device Usage Agreement – Additional Information - iPad Program** **2022**

In preparation for the 2022 BYOD iPad Program we ask that you read through the following information. We are asking you to provide us with your child's iPad serial number. This will be kept on file to help us track the iPads of students within the school environment.

**Please return this form to your child's classroom teacher at the beginning of the 2022 school year.**

### **PARENT / CARER**

I allow teachers to access my child's iPad if there is reasonable suspicion that a breach to the device agreement has occurred.

I agree to not share photos of other students that may be stored on my child's device without seeking prior permission to do so from their parent or guardians.

I accept responsibility for my child's device including insurance, loss, repair and damage. I have discussed with my child how to care for devices brought to school and have in place appropriate insurance cover.
