

**Edu-Dance Lessons**  
**Commencing Wednesday 10 February or Thursday 11 February 2021**

Dear Parents/Carers,

All students from Pre-primary to Year 5 will participating in Edu-Dance lessons provided by trained dance teachers. Edu-Dance has been providing Western Australian primary schools with creative hip-hop dance programs since 1999. It provides children with the opportunity to be part of a fun and energetic dance program within their own school community.

The program fulfils the Physical and health education outcome requirements (Dance element) for students and covers many other aspects such as coordination, musical appreciation and self-confidence, and gives many children the opportunity to experience the excitement of performing in front of an audience. Most importantly it promotes a program of fitness and fun.

There are nine lessons (30 minutes) commencing on **Wednesday 10 February and Thursday 11 February** and there will be a concert in either week 8 or week 9 (one for each group). All students are expected to participate. The total cost per student is \$34.

The Dancing Timetable is over leaf. This will indicate the day of your child’s lesson. You are invited to attend the concert and view your child’s performance.

We apologise for the short notice but if you could please complete the attached slip and return it with payment to class teachers by **Friday 12 February**.
