From the Principal

The last fortnight highlighted positive parent engagement at Edgewater Primary School. Events and experiences particularly focused on the opportunity for dads to participate. Mrs Kerry van Drunick had assistance in the canteen, Mrs Browne was overseer of the Saturday nature play busy bee and Mrs Rose's kindy blue and red groups shared an evening hour at Kindergarten.

Thank you to parents who attended the ThinkUKnow session this week. I first attended a ThinkUKnow presentation in 2010. In 8 years, parents, teaching professionals and society in general has come a long way in education on cyber safety. Whilst what we can do with technology continues to amaze us as individuals, it is the responsibility of parents and educators to ensure children develop digital literacy skills in order to use the internet's online environment in a safe and ethical way.

The purpose of the session, presented by a law enforcement officer, was to bridge the gap between adults and young people so that everyone has an understanding of the roles they play and what they can do if something goes wrong online.

Child Protection Week

The Safety House Show

As an integral part of Child Protection Week, the Safety House Show

presented to our junior students, how to respond if they are the unfortunate victims of bullying.

ThinkUKnow—Cyber Safety Parent Workshop

Twenty two parents and carers ventured out on a cold Wednesday night to a cyber safety presentation by a volunteer from ThinkUKnow. Paula was able to call on her knowledge of law enforcement to impart some of the startling facts about challenges for children in the online world. She concluded the session with several strategies that parents can use to support our young people safely navigate the online environment.

Participants received an information booklet to assist them initiate conversations with their children. Copies can be obtained by contacting our office on 9405 4007.

Crazy Sock Day

On Thursday 20 September the school councillors are having a Crazy Sock Day. We are encouraging as many students and staff as possible to wear the most fun, exciting, colourful and FABULOUS socks on that day.

You will need to bring a gold coin donation because we are raising funds for a very worthwhile cause—the RSPCA. This organisation looks after animals and makes sure people are kind to them.

We are very excited to see everyone's crazy socks.

Executive Councillors—Aiva, Clara, Corey, Chris

Great Aussie Crunch

We joined with hundreds of other schools on Thursday with our students crunching away on fruit and vegetables. Organized and supported by Healthway, the Cancer Council of WA and the Crunch & Sip Organisation, the objective is to have our students eating healthy food.

Father's Day Stall and Raffle

The P&C would like to thank everyone who supported the Father's Day stall and we're sure all the dads had a wonderful day on Sunday 2 September enjoyed their carefully chosen gifts.

A special thank you to Kylie Dawson, Leah Beltran and Claire Nicholls for helping on the stall.

Kindergarten Dads and Donut Evening

To celebrate Father's Day the Kindergarten children invited their dads to come along and share some Kindergarten experiences together. For a special treat they decorated and enjoyed eating donuts together, as well as joining in the many different Kindergarten learning areas provided in our program. The evening concluded with a slide show presentation demonstrating the many other learning opportunities the children have experienced throughout this year. A fabulous evening was had by all and we thank all families for their support in everything that we do.

What does your family do for fun?

We live such busy lives with work and school, homework, chores to be done, maybe practice for sport or music, that we sometimes forget to do things for FUN!

One of the best ways to connect as a family and to feel happy is to do things you enjoy as a family and on your own. We need to fill our own cups before we can help fill the cups of others.

What are some fun things you can come up with to do as a family?

Here are some examples:

- Family picnic (Even in the back yard!)
- Go for a bike ride
- Go for a bush walk
- Fly a kite
- Go to the beach—even in winter— it is so nice to rug up and go and collect shells
- Go ice-skating or roller-skating
- Go fishing (Even if you don't catch anything!!)
- Look for frogs or tadpoles in the lake (This one is so much fun!)
- Go camping

This week, why don't you make a list as a family of the things you would like to do for FUN. Then try and tick one off every week. Have fun connecting!

Canteen

We have a very busy week coming up. Firstly, the Dancesport Finals take place on Monday and Thursday (10 and 13 September). The children are very excited to show off all the dance moves they've learned to their mums and dads. To add to the fun, the Canteen is offering a snack deal (a packet of chips and a juice box) which can be purchased after the sessions for \$1.50 (correct change appreciated, no big notes please). We have plenty of supplies so any siblings coming to watch can also buy a snack deal. Parents, we haven't forgotten you! Tea and coffee is available to purchase for \$2 a cup.

The second event happening next week is the faction sports carnival on Friday 14 September. The Canteen will have a refreshment tent on the oval from where we will be selling sausage sizzles, bacon and egg rolls, baked goods, chips, cold drinks and ice creams. A coffee van will also be on site. A \$5 pre ordered pastry meal deal is available to order for the children. The deal consists of a beef pie (gluten free available), sausage roll or spinach and ricotta pie with a juice box or water. The meal deal will be delivered to the faction tents at lunch time. For catering purposes, orders and payment must be received by **Wednesday 12 September**, please. We regret that we cannot accept any late orders.

Order forms for the pastry were sent home last week. If you've misplaced your form, spares are available at the Canteen, on the school website or the SchoolStar App. Alternatively, you can order online at Quickcliq.com.au. Please note that NO other lunches will be available to order from the Canteen on sports carnival day.

As you can imagine, we're going to need a lot of help with the lunch orders and refreshment tent. In order that everyone gets the opportunity to watch their children in action, please sign up for a 30 minute shift to man the tent or pack lunches. Thirty minutes is not a big ask to give everyone the chance to enjoy the day. You can put your name down at the Canteen, fill in the slip at the bottom of the meal deal order form, or click on the Sign.Up link on the SchoolStar App.

Assembly—Year 6, Room 5

Today's assembly was hosted by the Year 6 students in Room 5. We were entertained with song and dance around the topic of the Year 6 camp at the fictitious Happy Happy Smiley Smiley School.

From the interesting coach driver to the camp staff consisting of Morticia, Gomez and Cocoa the cook, the item moved at a frenzied pace. Lisa, our previous chaplain and camp cook, even made a stunning cameo appearance.
