## From the Principal

Dear parents and carers,

Before the next newsletter is due out in term 3, WA will have celebrated Parent and Citizen's (P&C) Day on Friday 23<sup>rd</sup> July. Hence, ahead of this date, I would like to acknowledge and thank, on behalf of all staff, all parents that contribute to creating a positive learning environment for the children at our school.

A famous quote by Mother Teresa sums this up: "I alone cannot change the world, but I can cast a stone across the waters to create many ripples".

Members of the P&C work together to plan community events and fundraisers. They are role models for their children with the knowledge that they are working for the greater good of the school community.

At Edgewater Primary School we aspire for our students to realise that they can be the change, no matter how small or big the impact.

This starts in the early years as students are allocated classroom roles. Senior students have the opportunity to nominate for executive councillor, faction captains and harmony team roles.

This week the Living Edge native planting project, guided by parents Mr Watkins and Mr Anderson, featured in the Joondalup Times. A great example of the school community working together.

# Interschool Lightning Winter Carnival

This week the students in Years 5 and 6 and selected Year 4's, participated in the Northern Corridor Lightning Carnival. They competed in soccer, modcrosse, AFL and netball against Greenwood, Creaney, North Woodvale and Woodvale.

We were fortunate to have a beautiful sunny day and the students really enjoyed the competition as well as chatting with friends from other schools. All Edgewater teams played well and are to be commended on their outstanding sportsmanship. Congratulations to our Netball Division 1 side who not only won their competition but remained undefeated all day.

Thanks must go to our teachers and pre-source teachers for coaching the teams. A big thank you to our parent coach of the victorious Netball 1 side, Kristen Gaskell, for her coaching expertise.

# Animal Dress Up

On the 3rd of June we had our dress up as your cluster animal fundraiser. We had the fundraiser for the Telethon Institute For Kids. We raised a total amount of \$561. All of our animals were native Australian animals and we had a special assembly where we practised their Aboriginal names. Many of our students had made masks or headbands to make their costumes look even better. All of the outfits were very creative and even all of the teachers dressed up as their cluster costume. Thank you to all of those who participated and donated to this really worthy cause.

# Assembly—Year 1 Room 3

This year, Room 3 has been looking at how we are all different and that's what makes us special. On Friday May 11 the students hosted their assembly, telling the school that differences are meant to be celebrated as the world would be boring if we were all the same. The students each explained something about them that made them special. They all proudly sang at the top of their lungs and spoke clearly and with confidence.
