From the Principal

The rain stayed away and the sky offered blue moments as PP-6 students participated in the annual **cross country** event this week. Check out the photos in the newsletter of the cross country and lightning carnival which shows the bold and resilient sports students that Ms Farinosi strives to develop and we aspire to at Edgewater Primary School.

As Term 2 comes to an end and you await student **Semester 1 reports** in week 10, it is time to thank our wonderful teachers for a great semester of teaching in somewhat challenging times across WA with continuing student absences. Our children have achieved to the best of their ability faced with the health “bugs” challenging them.

A huge thankyou to our ‘newish’ gardener and handyperson, **Brett Deering**, for being that special person who keeps the gardens neat and tidy and explores ways to make the environment safe and engaging for everyone.

We have officially farewelled our **head cleaner, Aleks Zirojevic**, as she takes up a laboratory technician position on a mine site. We wish her well.

Wishing you all a happy and safe holiday.

In This Edition of SchoolTV— SPECIAL REPORT: Parenting Styles

There are so many different opinions offered on how best to parent. New parents will often have firm beliefs about how they wish to balance love and discipline, but this ideal often goes out of the window when a toddler throws their first tantrum in the supermarket!

Raising children can bring parents and carers great joy and despite many learning 'on the job' and growing into the role through experience and understanding. Children will always flourish in a warm and loving environment, supported by clear guidance.

In this Special Report, parents and carers can gain a greater understanding of the four defined parenting styles by taking part in the quiz. It can guide parents towards deciding which style they wish to adopt and the effects it may have on their children.

We hope you take time to reflect on the information offered in the [Special Report](#).

Winter Lightning Carnival

Last week, the students in Years 5 and 6 and selected Year 4s participated in the Northern Corridor Lightning Carnival. They competed in soccer, modcrosse, AFL and netball against Greenwood, Creaney, North Woodvale and Woodvale primary schools.

We were fortunate to have a beautiful sunny day and students really enjoyed the competition as well as chatting with friends from other schools. All Edgewater teams played extremely well and are to be commended on their outstanding sportsmanship. Congratulations to our Netball Division 1 and Netball Division 2 sides who not only won their competition, but remained undefeated all day.

Thanks must go to our teachers for the time and effort they have put into coaching our teams. And a big thank you to our parent coaches Kristan Gaskell and Zara Pitt-Thorpe, who were the super coaches behind our undefeated netball team, and to Lisa Koteka for her assistance on the carnival day. And thank you to Ian Bunton for sharing his time and coaching expertise with our girls' soccer team, who were also very successful with a 2nd place. They were undefeated for the entire day. It was a first place tie but missed out on the shield by 1 goal after a goal count back.

Results for the day were:

Netball Div

1: 1st place

Netball Div

2: 1st place

AFL: 4th

SCHOOL PHOTO DAY IS COMING!

Dear Parents/Carers,

Your school photo day is coming! Approximately two weeks prior to the photo day every student will receive a personalised flyer to bring home from Kapture Photography containing your child's unique codes for ordering school photos online.

KEEP YOUR FLYER SECURE!

The unique codes contained on the flyer will be issued only once.

Order **EARLY** for sibling photography

Sibling photos can ONLY be ordered online. Once you receive the personalised flyers for your children, it is imperative that you order your sibling photo early to avoid missing out! There is a physical limit in the school schedule to how many sibling photos can be taken. Once the maximum capacity of sibling orders has been reached, no more sibling orders can be placed.

If maximum capacity is not reached, sibling orders **close 12pm midday sharp, one business day prior** to the first photo day.

The school or the photographers cannot accept late orders for sibling photography. Please do not ask as your request simply cannot be accommodated.

Order **EARLY** for discount photo day prices

Order your photos within 10 calendar days of photo day to receive discount photo day prices. Late orders are handled separately to the school delivery and incur a \$30 custom service charge.

Other information

Your school will notify you in a few weeks when **team and special group photos** are available to view and purchase on the Kapture website. Please note; class, individual and sibling portraits are not available to view online prior to purchase.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please check the FAQ's on the Kapture website.

*All students will be photographed individually on photo day for school administration records AS WELL as included in their class group presentation available for purchase to all families. Should there be any reason why your child should **NOT** be included in the photo shoot –please contact the school office.*

If COVID is still active in WA:

For the duration of Covid-19 in WA, please be aware that Kapture are following all recommended health guidelines and safe practices. Our photographers are acutely aware of the evolving situation surrounding Covid-19 and abide by each individual school's Covid-19 policies. Where possible, the photographers will use verbal queues and instructions in an effort to uphold our high standard of student presentation. Students may be instructed by photographers to use single use sterile combs, wet wipes or tissues or to fix their own collars, buttons and stray hairs.

Assembly—Year 4/5 Room 8

Room 8, Year 4/5 had a date with Uncle Crumble, the mad scientist and his time travel machine at their assembly on Friday 16 June.

Students had been diligently learning their lines for weeks and eagerly preparing for the big day. As the day arrived there was lots of nervous, excited energy among students as they were finally going to perform in front of an audience. Parents, staff and students enjoyed the humour and were entertained as they watched the actors go through their routine. They did a fantastic job and are to be congratulated for their fine performance.

It was a great morning for all. They are still singing the songs from the performance and talking about their experiences on the day. A great event to have memories of into the future.

RAC Incursion

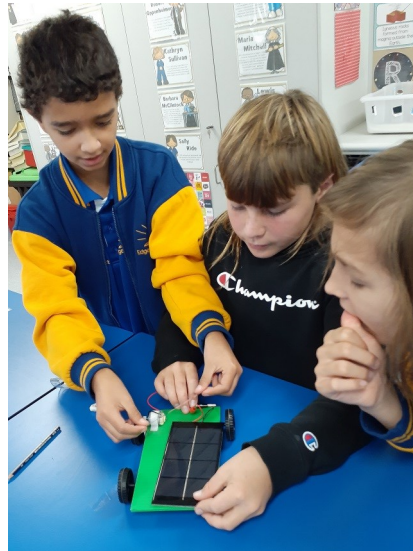

On Monday, Renee from the RAC Little Legends Club visited our school to talk about important Health topics.

Year 6 students covered the topic 'Going Green' and the emergence of electric cars. They built their own solar cars and enjoyed racing them against each other.

Year 5 students completed a quiz, with questions based on how you can avoid risky behaviours. Did you know it's a \$50 fine if you are caught not wearing a bike helmet?

Year 3 students looked at Bicycle Safety and finally Year 1 students covered the topic 'Crossing the Road' by participating in a simulated road experience, using the important STOP, LOOK, LISTEN and THINK practices.

It was an enjoyable incursion and a timely reminder of important Health and Safety messages that we should follow.

Then & Now
1983 - 2023

ASPIRE - CONFIDENCE - RESPECT

Daniel ASHMAN

I was the first intake in Year 3 in 1983 when the school first opened. In 1987 I was top sports boy and got the Australian of the Year in Year 7 when it was only a Year award.

I have been a professional photographer who worked as a sports photographer in England. Then changed careers to become a software development manager who creates runs for the mining industry.

I currently have two children at Edgewater Primary in Years 3 and 6.

Lili THOMPSON

Memories - Year 6 camp, Cody breaking his arm, swimming lessons, faction carnival. Mr Grey was a great sport teacher. Held a prefect position in Year 7.

Travelled around Europe, completed a diploma in Community Services, got a dog and hoping to do a Social degree in the future.

Jacob VANDERWIEL

Kindy to Year 5

Favourite subject Science

I Haven't changed from when I was at Edgewater— my reports still say I talk too much!

Kerry VISSER (nee Walls)

Started in 1983 and graduated in 1987. Gosh, so many memories... planting trees, time capsule etc. I have 3 boys 16, 14 and 10. Have done a few jobs and we own our own earth moving business. Living on a hobby farm south of the river and now working with children.

Saffron CARRUTHERS

2007 – 2013

Best year was Year 7 with Mr Butt.

Sarah GANE

Started at EPS as a Year 1 student in 1983 and left after finishing Year 7 in 1989! I remember being taught by the wonderful Mr Sweet in both Years 3 and 6, and being terrified of Miss Sommers (with her wacky coloured hair) when my dog chewed up a recorder I'd borrowed from the school. She actually found it hilarious and I was shocked/relieved that I remember it like it was yesterday. I also remember 'helping' when my Dad and some other parents built the original fitness track around the oval.

Since leaving school I have done too much study including three University degrees and three very different careers. Lived in a few different states and countries over the years but always found my way back to Perth. Currently raising a teenager and working as a part time rural hospital GP and part time metro hospital pediatric doctor.

John JONES

Memories – Mr Bright chopping tiger snake with a spade. The boys Aussie Rules team winning the first game in the history of the school by 1 point against Eddystone Primary. Great teachers, especially Mrs Headley, Mr Pearsall and Mrs McAulliffe.

Since leaving school – the usual University, and having children. I work for the government as a data scientist.

Library Book Monster

As you know, Miss Butt created the magnificent book monster for our library. Over the last couple of weeks we have been running a 'name the book monster' competition for all the classes who visit the library. Thank you to all the students who participated. There were hundreds of entries!

Last Wednesday, members of the student council met with Miss Butt and eventually we all decided on the winner. The winning student has won a \$15 Dymock's book voucher.

From now on the book monster in the library is known as Grizzly McTeeth, and that fantastic new name was chosen by a student in Year 5, Room 8. Congratulations to Cody C.

Golf Championships

On Monday 19 June, Dominic S and Eabha C represented Edgewater Primary School at the School Sport Western Australia Primary Schools Golf Championship at Gosnells Golf Club.

It was the second year that Dominic and Eabha represented Edgewater at this event.

On a cold, but sunny day, both students performed wonderfully as a team, finishing in 5th place from a total of 24 teams. Eabha even took out second place in her category.

Well done Dominic and Eabha – golf stars of the future!

Neighbours On Watch

Our wonderful neighbours that bound the school on three sides are always on alert for anything untoward that may happen on our site.

In turn, we look after them as much as possible.

Parents and carers could help us by being mindful of our neighbours front verges and driveways.

Thank you!
