From the Principal

I hope that families enjoyed the last of the amazing weather throughout the long weekend. Staff on the school development day began reflective work on the Aboriginal Cultural Standards Framework and the upcoming Term 3 Public School Review.

Take the opportunity to attend and observe members of the School Board making decisions on behalf of the community at the open meeting this Monday 10 June at 7pm in cluster 2. The Agenda for the meeting is [here](#).

As teaching staff busily finalise student reports, plans are in place for two incursions to support the Science and Humanities and Social Sciences curriculums.

Kim Perkins

In-Term Swimming

The annual In-term swimming lessons commence on day 3 next term—Wednesday 24 July—for 8 days. Normally there are 10 lessons, but unfortunately the swimming teachers are involved in workshops for two days.

More information will be sent home soon.

Merit Certificate Recipients

Congratulations to the following students who received a merit certificate at the assembly today: P2 Lucas W | R1 Jamima J, Lachlan C | R2 Chloe W, Isabella H | R3 Alfie C, Natalie R | R4 Jesse F | R5 Alex F, Ryan G | R12 Bodhi M, Lucy K

Assembly—Year 1 Room 4

In History we have been learning about the Past, Present and Future, and talking about what we would like to be when we grow up. The Year 1 students did an amazing job of hosting the assembly today. Their dancing and singing was a delight to see.

When I grow up I want to be a Marine Biologist. I will wear a blue shirt and blue shorts. I will help the animals in the ocean.

Lola

When I grow up I want to be a Doctor. I will wear a white shirt with things that a Doctor will need. I will help people get better if they are sick.

Millie

When I grow up I want to be a Ballet Teacher. I will wear a tutu and it will be pink and white. I will teach kids to go on their tippy-toes.

Tillie

When I grow up I want to be a Racing Car Driver and wear gloves. My number will be 24. I will win!

From the Canteen

So you need to order a lunch for your child from the Canteen, but you don't have any cash on you! No problem! You can now "Tap and Go". The Canteen is pleased to advise that we recently acquired a Square Reader for PayPass payments of purchases over \$1. You now have three options to pay for your child's lunch order:-

1. Online (through QuickCliq)
2. Cash
3. PayPass

Kerry van Drunick—Canteen Manager

From the Manager Corporate Services

Credit I encourage all families to do this. We still have two major costs still to come for this year—In-term swimming and dancesport. To relieve the stress of finding the money in one go, if you were to put in \$10 per week or fortnight into your child's account, this will build up. If you had started this at the start of the school year then you would have \$160 in credit from weekly credits or \$80 from fortnightly credits. Also, Year 5 parents are encouraged to start putting money aside for the Year 6 camp next year. I would have loved to have had this option when my children were in school—it would have relieved so much added pressure.

Does Your Child Need Help in Mathematics?

Our final year education students studying in the Primary programme and working under the guidance of mathematics education staff will be conducting support sessions for children experiencing difficulty in mathematics.

We are offering **free** places to children in Years 4 to 6, who attend schools where teachers mentor pre-service teaching students from Edith Cowan University. The support would involve five one-hour mathematics assistance sessions.

When: The program involves an initial test of approximately one hour and five subsequent one hour weekly sessions. This would require a **sincere commitment** to ensure that children attend **all five one-hour sessions**. The session dates and times are listed below:

<u>Maths Program 2019</u>		
<i>Initial Test:</i>	Wednesday 31st July	4.30-5.30pm
<i>Workshops:</i>	Wednesday 7 th August	4.30-5.30pm
	Wednesday 14 th August	4.30-5.30pm
	Wednesday 21st August	4.30-5.30pm
	Wednesday 28 th August	4.30-5.30pm
	Wednesday 4 th September	4.30-5.30pm

Where: These will be held at Edith Cowan University, Joondalup Campus, **Building 8 Room 323**

If you wish to register interest or know more about the program, then please feel free to ring Helen Dixon on 6304 5485 (on a Monday, Tuesday, Wednesday or Thursday 9am-3.30pm) or email; h.dixon@ecu.edu.au. Places are strictly limited and will be filled on a first come first serve basis.
